

Come to the Library and Read to Our Dogs

Quillan and Christy are regular visitors to the Wyoming Library. They visit the library every third Saturday of the month from 10 to 11 so that children can read stories to them. They lie on their special blankets and listen to stories that you choose to read. They become happy puppies when they hear the stories. We are looking for more children to read to our dogs. You can be one of our dog readers.

If would you like read to one of our dogs, have your parent contact the library to reserve a time to join us at 693-1364.

NOTE: The library is also offering a special program. If you read to our dogs on five visits between now and the end of the year, you will receive a \$10.00 Barnes and Noble gift card. What could be better? You read to a dog and earn a Barnes and Noble gift card.
